

CLASSIFICATION: Instruction

ADOPTED: 11/8/95

REVISED:

SUBJECT: Weather-Related Schedules

PAGE: 1 of 1

---

The County Superintendent of Schools places a high priority on safety and the prevention of injury and realizes weather conditions may sometimes be so severe, it is dangerous for students and employees of the County Superintendent of Schools to travel to and from school, whether by vehicle or on foot.

Should adverse weather conditions occur, the County Superintendent of Schools or his/her designee may establish alternative school day schedules as necessary.
