---

The County Board of Education authorizes the expenditure of funds for the purchase of food and/or nonalcoholic beverages at San Diego County Office of Education-sponsored workshops, meetings, award ceremonies, and other official activities providing they:

1. Communicate the Mission and Goals of the San Diego County Office of Education.
2. Provide assistance or direction to the County Board of Education, County Superintendent of Schools, and/or designee.
3. Increase community awareness of educational programs.
4. Promote individual and group support of local educational priorities.
5. Improve time management and staff effectiveness.
6. Commend exemplary service to education.

The County Superintendent of Schools shall establish an administrative regulation to implement this policy.
